

Coach O **HOOP-ZONE** BASKETBALL

Basketball camps for girls & boys in central Michigan

ULTIMATE SHOOTING CAMP & LEAGUE is a great camp to improve on your shooting skills. Our shooting workout is an aggressive multi-session program that starts with the fundamentals and moves into drills which include dribble pull-up, catch and shoot, attaching the basket, etc. Each camper will be evaluated and analyzed for strengths and weaknesses of their shot and will leave with a shooting guide. There will be **NO SCRIMMAGING** at this camp as it is for shooting skills development only. Each camper will be evaluated and analyzed for strengths and weaknesses of their shot and will

leave with a shooting guide. Accuracy and skills competition will take place on last day with trophies to be given out.

In addition to going over fundamentals of shooting, campers will also participate in our Ultimate Shooting League which is a competitive game for perimeter spot-up shooters. Each league team is composed of three shooters who compete against another team of shooters to attain the higher team score in head-to-head competition. Levels of accomplishment (75 Club, 100 Club, 125 Club, etc.) will be posted under Camp Results.
