

Area youth are invited to participate in a newly formed basketball league for 2nd and 3rd grade girls and boys this coming winter. This recreational league, ran much like youth soccer or Little League, is designed to give area youth the opportunity to learn the game of basketball in a FUN and healthy environment promoting good sportsmanship and team play. Volunteer coaches will teach the skills, develop an attitude of team work and establish a passion for the game. Using mini courts, referees, 9' hoops and youth size balls this will bring the game alive for this age group. HOOP-ZONE Basketball will be the league organizer and skills clinic and games will all be held at the Farwell Middle School. For additional information, league rules and registering online go to www.hoopzonebasketball.com and click on "Rookie League" or call Bruce at 588-9626.

Important League Dates:

Early Registration (\$30.00): November 15th – December 13th

Late Registration (\$35.00): December 13th – January 10

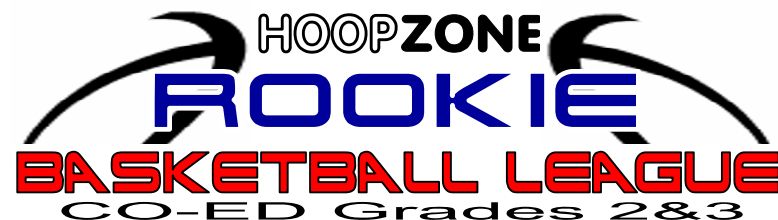

Skills Clinic/Draft Day: January 10th at FMS

Game Days: February 7th, 14th, 21st, 28th at FMS

HOOP-ZONE Basketball provides basketball training for mid Michigan area youth as well as supporting local schools in the development of their basketball programs. Why drive 40 miles for this kind of opportunity when you can get the same options right here. Our co-ed programs are for youth beginning at kindergarten up through high school at various times over the year. Our goal is to teach the fundamentals of basketball and provide an atmosphere for learning and playing through camps, leagues and private lessons.

Get all the information at www.hoopzonebasketball.com or call Bruce at 588-9626. Our website is also the website for JPHC Rocket Football and the Flames Basketball Club.
