

HOOPZONE ROOKIE BASKETBALL LEAGUE

CO-ED Grades 2&3

All area youth are invited to participate in our basketball league for 2nd and 3rd grade girls and boys this upcoming winter. This recreational league, ran much like youth soccer or Little League, is designed to give area youth the opportunity to learn the game of basketball in a FUN and healthy environment promoting good sportsmanship and team play. Volunteer coaches will teach the skills, develop an attitude of team work and establish a passion for the game. Using mini courts, referees, 9' hoops and youth size balls this will bring the game alive for this age group. HOOPZONE Basketball will be the league organizer and skills clinic and games will be at the Farwell Middle School. Families and spectators welcomed.
