

Donation Form for Flames Basketball Club

We are working to raise funds for our girl's basketball traveling teams to play basketball through our winter season. We travel with our teams throughout the Central Michigan area playing in tournaments, enjoying the sport of basketball and improving our skills. The tournaments not only allow us to develop as athletes, but also to learn valuable life skills; such as teamwork, dedication, commitment, and hard work.

We need to raise the money to cover the cost of our tournaments. Some tournaments can cost up to \$215.00 per weekend for our older teams. We are asking you to help make the season possible with a donation to help cover our cost. Your help, in any way, will be greatly appreciated. Any minimum donation of \$25.00 will get your name on our donation page of Flames with a hyperlink to your website. Checks can be made out to "Flames Basketball Club".

Please fill out the form below and keep the top part for your records. THANK YOU for your interest in Flames Basketball Club and donating.
