 2. Do not use abrasive detergents.
 3. Do not use bleach of any kind, or detergents that have bleach in them.
 4. Line dry rather than use the dryer.

Academic Policy

We know that some parents may require a strict academic policy for their student-athlete. We ask that you inform the coach of your policy so he/she is aware prior to season.

Game Playing Time

This is always the biggest issue when participating in a team sport. We have this Club for the development of our athletes and every athlete will get in games. Based on the game the coach has full authority to juggle substitutions and still try and secure the win. Substitution is the call of the coach not the parents and is final!

Attendance Policy

Attendance at practices and games is required. Your coach will go over attendance policies with you and you must go by them. Always keep your coach informed of sickness or family issues that may effect attendance. not just showing up is the worst thing you can do.

Parental Conduct

Parents are to act as responsible adults being the positive example their athlete needs them to be. Parents who verbally attack teammates, coaches or opponents will get one warning and then a referral to the HOOPZONE Basketball Club for further attention.

Athlete Conduct

Swearing and course language, inappropriate gestures, etc. will NOT be allowed during practice time or games. If a player gets a technical due to their inappropriate behavior or language during a game they could promptly come out of the game! No player is allowed to argue, or make any obscene gestures over a referee's call or any game situation or they will be removed from the game and may face further action! Players involved with improper interaction or disruptive behavior with teammates, coaches, opponents or opposing school personnel before, during or after a practice or game may result in suspension from the team. Athletes must show team support at all times, and not negative emotion towards coaches or teammates. Any athlete who sits out for discipline reasons must still participate in practices.

Respecting One Another

Players are to respect their teammates, coaches and opponents to the highest degree. Player actions are monitored at all times by coaches and if out of line they will be penalized.

Athlete and Parent Concerns

If you have concerns/comments don't hesitate to come to your coach and discuss it in a private, but NOT on game days as emotions can be running high. If you feel you are not getting results in this fashion feel free to

contact Coach Owens to arrange for a 3 way discussion. All coaches wish to develop a good relationship with players as well as parents/guardians.
